ABOUT US

JB International brings you ranges of stretch trousers and shorts.

Movability, freedom, strength and comfort. Our range of trousers with either stretch panels or stretch materials, boast the perfect partnership of functionality, comfort and quality.

Our stretch garments consist of 2%-3% spandex, for ease of movement and flexibility throughout the work day.

Elastane is a material capable of stretching without breaking, which gives it lightness and flexibility, without hampering movement.

We present our new work clothing collection created to ensure freedom of movement.
